Diploma of Beauty Therapy (SHB50115)

Our most popular and highly recommended Beauty course is the Diploma of Beauty Therapy. It has been designed as a high level qualification for those wishing to operate as a beauty therapist, employing staff and managing a beauty salon. The course allows students to learn the latest beauty industry techniques and to further expand their skills to a Vocational Graduate Certificate in IPL and Laser Hair Reduction or university studies in paramedical aesthetics. This is the most highly regarded of all Beauty qualifications.

Qualification Out comes

The Diploma of Beauty Therapy is a nationally recognised qualification which is the highest national beauty qualification available. Successful graduates have many attractive career options; including: Owning, operating or managing a beauty salon; working at a day spa or health retreat; working internationally as a beauty therapist; working as a sales representative or area manager; and working in product development training. Students will learn the latest beauty industry techniques, all theory and practical aspects of beauty therapy, including specialised spa treatments and micro-dermabrasion. Graduates at Demi International have been given extensive real-world salon experience.

Government Study Assist - VET Student Loans

Demi International Beauty Academy is a registered training organisation and has been approved to offer VET Student loans to eligible students under the Higher Education Support Act 2003. The Diploma of Screen and Media is an approved course. VET Student Loans can be used to pay part of an eligible student's tuition fees. Students who access Vet Student Loans are charged 20% loading from the Federal Government. The total debt to be incurred at completion of this Qualification will be \$12,410.40. The debt will be repaid when your income is above the minimum repayment

threshold through your income tax. To find out more please visit www.studyassist.gov.au or call 07 5309 6635. Tuition assurance protects students in the event a course provided by an approved VSL provider ceases to be provided after it starts but before it is completed. Affected students are offered a replacement course with another provider and where this is not possible, the students' FEE-HELP balance for the affected part of the course will be re-credited.

Language, Literacy and Numeracy Advice

The National Reading Reporting System informs the identification and description of underpinning English language, literacy and numeracy features and requirements within competency standards. The learner's language, literacy and numeracy levels are expected to be equivalent to 3/4 of the National Reporting System.

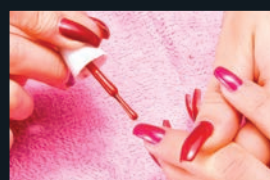

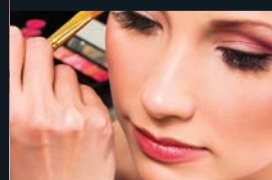

A sound level of English language skills (reading and writing skills) is required. Oral communication - a learner will be able to use and respond to spoken language within a variety of contexts.

Numeracy and mathematics - a learner will be able to recognise and use a variety of conventions and symbolism of formal mathematics.

Support Services

Demi International will provide learners with every opportunity to complete their chosen qualification. Support from your trainer is available to ensure you understand the learning and assessment requirements once you have commenced study with Demi International Beauty Academy.

The Academy will identify and access appropriate support services, and ensure the necessary services are provided for participants as required.
